Editorial Note

I am delighted to inform all our esteemed authors, readers, reviewers, and editors that we have recently obtained an ISSN number (**ISSN: 2584-1920 Online**) from The Indian ISSN Centre. We take great pride in announcing the release of our 2nd issue bearing the assigned ISSN number.

We are also pleased to announce the invitation for papers on two different themes, each managed by our distinguished Guest Editors:

1. **Global Economic Trends**, managed by Guest Editor **Dr. Parwinder Kaur**.
2. **Research & Innovation in Commerce and Management – Recent Initiative**, managed by Guest Editor **Dr. Abhinandan N.**

The due dates for both themes are **March 30, 2024**. Therefore, we kindly request you to submit your research articles as soon as possible through the following link:

Upon registering or logging in to the journal system via the submission link provided, please select the appropriate theme under the section category on the submission page and proceed with your submission.

Furthermore, I am pleased to announce that our articles are now DOI indexed, which marks a significant milestone in our journey towards obtaining UGC CARE list accreditation by the end of this year.

We have many more exciting initiatives planned for the coming months, and I look forward to sharing them with you in our upcoming releases.
